

SIGNING UP / MANAGING ALERT SUBSCRIPTIONS FROM THE TOWN OF PROVINCETOWN

Provincetown business owners are required to sign up for Emergency Alerts from the Town of Provincetown.

It is an easy process that will keep everyone updated on emergencies as they arise.

To sign up for emergency alerts simply click the link on the Provincetown web site or go to alerts.provincetown-ma.gov.

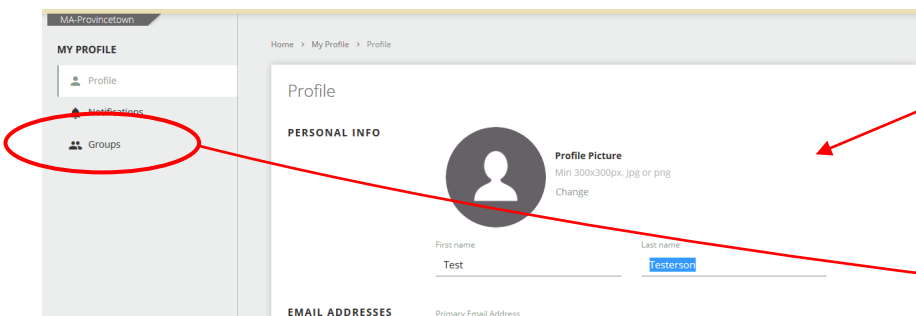

New to alerts? Simply fill out the form on the right side to sign up!

If you signed up for alerts previously on the old system, your account is still active! You will need a password.

Simply click the "Forgot your Password?" link on the left side form and follow the directions to create a password for your account.

Already a member with a password? Simply sign in on the left side form!

PROFILE

Once you have logged in you will see your profile, which you can edit and save. Add your phone number in order to receive notifications via text and/or call.

Next select the groups that you want notifications from.
